

FOR IMMEDIATE RELEASE:

**The Stanwich School Purchases  
Stanwich Road Property**

GREENWICH, CT - November 17, 2005 - The Stanwich School is pleased to announce that it has purchased a 25 acre parcel of land on Stanwich Road on which it plans to expand its facilities. The undeveloped parcel, adjacent to the school's current leased facilities at 257 Stanwich Road and to Saint Agnes Church, was sold to the school by the Diocese of Bridgeport.

Headmistress Pat Young said, "We are thrilled with this purchase as it will allow us to achieve our dream of offering our distinctive program to every grade level, pre- K to 12. Our mission of educating the whole child...mind, body and spirit will remain the same, as will our core strengths: rigorous academics, a character culture and exceptional faculty. What is exciting will be our ability to deliver our program in new and expanded facilities."

Peter Thompson, Chair of The Board of Trustees adds, "Acquiring this property is a major step forward in the development of the Stanwich School. We now look forward to going through all of the necessary steps to build state-of-the-art facilities on the site. As we do so, we will be working closely with the Town of Greenwich, the Greenwich Reform Synagogue, St. Agnes Church and our neighbors to ensure that we address the needs of all constituencies."

The Stanwich School is an independent, coeducational K-9 day school. Chartered in 1998, the school has grown each year and now serves over 350 students. Stanwich currently maintains two campuses, with leased buildings on Stanwich Road for grades K-6 and in Riverside for grades 7-9. The school is accredited by the Connecticut Association of Independent Schools, and was one of the youngest schools to have achieved that distinction.
